

## Office of Health IT Updates: March 9, 2018

### Webinar: Centralized Provider Data in Oregon - March 20

#### Oregon Common Credentialing and Provider Directory Programs

The Oregon Chapter of HIMSS and the Oregon Health Authority invite you to join us for a webinar on Centralized Provider Data in Oregon.

This session will help you learn more about how the Oregon Health Authority Office of Health IT (OHIT) is centralizing, streamlining and improving provider data through two initiatives 1) the Common Credentialing Program to centralize collection and verification of practitioner information and 2) the Provider Directory which will serve as a trusted, accurate source of provider information for healthcare operations.

#### When:

Tuesday, March 20, 2018 from 12:00 PM to 1:00 PM PDT - [Add to Calendar](#)

#### Audience:

Health care providers, payers, coordinated care organizations, health plans and systems, clinic administrators and others will learn more about these projects and how they will benefit providers and organizations.

#### Attendees will gain an understanding of:

- The complexities of provider data and current alignment efforts in Oregon.
- The Oregon Common Credentialing Program, user requirements, and program value.
- The scope of the statewide Provider Directory and its utility for healthcare treatment, payment and operations.
