Dr. Mimi Whittemore's Biography

Dr. Whittemore approaches dentistry with compassion, integrity, and empathy. Her conservative approach to dental treatment and being proactive about dental health directly aligns with her passion to work at Willamette Dental Group. Getting to know her patients and understanding their dental needs is very important to her. Dr. Whittemore and her team's continued focus to educating and providing care in a caring manner has gained her the trust and connection of her patients. Through the years Dr. Whittemore continues to make a positive impact on her patients and strives for dental excellence. Willamette Dental Group, being provider-centric, has allowed her to be collaborative with her peers to create the best treatment options available for her patients.

In her spare time she enjoys spending time with her family and is an avid gardener.

Education

PROACTIVE TREATMENT PHILOSOPHY

Each patient receives a thorough evaluation, diagnosis and Proactive Dental Care Plan (PDCP) customized to their oral health profile.

DENTAL CLEANING COVERAGE

Frequency of regular dental visits should be tailored by dentists to accommodate for current oral health status and health history – American Dental Association

- Cleaning frequency customized for each patient based on oral health risk assessment
- Plan covers number of cleanings prescribed by your dentist
 - Range from 1 to 4+ cleanings per year
