

The Oregon Registries for EMS (OREMS) mobile app allows first responders and emergency departments immediate access to **POLST** and **HERO Kids** patient information.

**One representative** per EMS agency, fire department, or emergency department will use the QR code or [this link](#) to sign-up and receive access for their organization.

More information can be found on the [Oregon POLST Registry](#) and [HERO Kids](#) websites. For questions, call the business office at 833-770-4376.
